The „Sport together, active forever” project (590526-EPP-1-2017-1-RO-SPO-SSCP) is a project financed by the EU.

It has been implemented for a period of 2 years (2018-2019) by four partners from three European countries (National University of Physical Education and Sport Bucharest, Sport Club Alba Tarrega, Special Sports Center Kuldiga and Bucharest Down Plus Association).

It contained the presentation of the institutions, four interventions about the project presented by the National University of Physical Education and Sport Bucharest as its coordinator and sessions of questions and answers

- 2. workshop: Bocce – a sport discipline practiced by the mental disabled persons (23.02.2018)** coordinated by the Special Sports Center Kuldiga. The activity had two parts: a theoretical session (rules of the game, divisioning and final competition, training methods and several successions of exercises) and a practical one – the project team learnt the play bocce and boccia.
